

Jackson School of the Arts Strategic Plan At A Glance

Our Mission

To provide quality accessible arts education programs for Jackson County youth regardless of their financial means.

Vision Statement

Jackson School of the Arts is a vibrant welcoming inclusive place that provides arts education programs for all ages and abilities.

Values

- Quality and Professional Integrity: operating at a high standard in all things.
- Personal Growth: building strong character in our student dancers, actors and artists.
- Innovative Teaching: learning from best practices and focusing on each child's individual capabilities.
- Partnerships: working collaboratively to achieve our goals and support the community.
- Community Engagement: taking the arts into the community as a means to enable all children to experience the arts.
- Community Building: bridging our cultural differences through the arts.

Goals

- Increase financial resources to support growth and sustainability.
- Develop and enhance human (staff and volunteer) resources to support continued quality programming.
- Establish an endowment
- Find a new facility that accommodates our growth.

Looking to the Future

Over the next 3 years Jackson School of the Arts will transition into a prominent arts and cultural center, expand programming and further sustain our standing as the largest provider of arts education in Jackson County and the region.
